PROCEDURE MEMORANDUM NO. 37

SUBJECT: Planning Liaison

1. For purposes of informal planning discussions with agencies under permanent members of the Intelligence Advisory Board, Planning Staff personnel will maintain and develop liaison with various contacts established in connection with Planning Staff problems. In addition, where the appropriate contacts for a particular problem are not known, Planning Staff personnel will initiate such contacts through the appropriate liaison officers formally accredited to C.I.G. The present list of such liaison officers is enclosed under C.I.G. Personnel Roster of 12 March 1946.

2. For the establishment of new contacts, the Information, Intelligence, and Support Branches should ordinarily deal with the liaison officers listed under "Intelligence". Similarly, the Security Branch should ordinarily deal with the liaison officers listed under "Security". However, this is not to be considered a rigid rule.
